FEBRUARY 2018

## Local News and Events

The school will have an empty flat and school house by the end of the month.

If you are keen or know anyone who would like to rent either of these, ring the school and Lorraine will give you all the information.

The flat has two bedrooms and the house has three.

From the 16<sup>th</sup> of February till the 26<sup>th</sup> of February we will have the Wool Shed at school. The wool shed is an interactive classroom that contains information and activities about the many states and process of wool making. Please come along and check it out during school hours.

### Playgroup

Every Wednesday at 10am in the community hall.

The cost is \$2.00 to cover the power.

Please let people know so we can make this a success.

### Day Care

We have had request for anyone providing day care/crèche in their own home in the area. If this sounds like something you could do, please let the school know and we will pass the information on.

## Sponsorship

Do you know anyone who would like to sponsor the printing of this community newsletter?

Some more photos from the Xmas party on the last day of the school year. Thank you to all that could make it. You were a fantastic audience.

the world". As part of this study we are collecting plastic lids and we will use these to make a new mural for the front of the school.

Please help us by collecting your plastic lids and dropping them off at school.

The Trillion Trek (Variety Bash) are coming to Rangitaiki School for lunch on the 9<sup>th</sup> March at 12.30. As part of their annual tour they will be visiting our school and giving gifts as well as showing off their quirky vehicles. I would like to see our community support this group by coming along and joining in on the fun!

We

would love to make a data base so we can email the community newsletter out. Please email us at school with your email information.

I read this recently online and thought it was a great way to explain bullying.

## School news

We have started the year of with 7 students and have two more joining us during the year.

This term we are learning about creating a sustainable environment and how we can all make a difference and 'Save
