## Local News.

Can you believe that its 7 weeks until Christmas. The last term always seem to fly by and before you know it we are having the xmas concert and saying our goodbyes for the year.

There have been lots of changes since the last newsletter.

We have 4 new students. Our roll is now 7. We have two 5 year olds that started this term, Iraia Warena and Grace Donoghue. Benjamin Greed and his family moved from Tirohanga and Diago Tukaki Te Muunu has enrolled for a term before heading to college in 2020.

The school has been given a fresh coat of paint in the last week so is looking great. We have our new building development starting in December, which will be a good asset not only to the school but the whole community. We will have a new covered area in the courtyard for our students but it will also be a great spot for community B.B.Qs and events.

The Poronui Passage was a great success and will be on again next year. Thank you to all the local volunteers. If you would like to enter check out the Poronui Passage Facebook page.

Have you met Whisky yet?

He is our 4 month old school puppy. A Miniature Schnauzer who enjoys having stories read to him and loves nothing better than running around the field with the kids.

We also have new baby chicks that have hatched in the last few days.

I hope the nasty rats and stoats leave these ones alone. Thank you to Ashlee Hinsley for lending us her cage for Snow White and her babies. Also a big thanks to Lucy and Lochinver for the hay.
